

Comparison of All-Electric Low-End Luxury Vehicles

Audi Q4 e-tron

Starting MSRP: ~\$50,000

Range: ~265-285 miles

Power: ~201-295 hp

Pros:

- Premium interior with minimalist design
- Smooth, quiet ride with solid handling
- Advanced tech (Virtual Cockpit, MMI infotainment)

Cons:

- Slower acceleration than some rivals
- Less rear visibility due to sloped roofline
- Infotainment can lag at times

Volvo XC40 Recharge

Starting MSRP: ~\$53,000

Range: ~250-293 miles

Power: ~248-402 hp

Pros:

- Distinctive Scandinavian design
- High safety scores and driver-assist tech
- Google-based infotainment system

Cons:

- Slightly cramped rear seat and cargo space
- Firmer ride quality
- Pricey when adding options

Comparison of All-Electric Low-End Luxury Vehicles

Tesla Model Y

Starting MSRP: ~\$44,990

Range: ~260-330 miles

Power: ~255-384 hp

Pros:

- Longest range in its class
- Supercharger network access
- Fast acceleration, minimalist cabin

Cons:

- Sparse physical controls
- Interior finish feels less premium
- Build quality can be inconsistent

Genesis GV60

Starting MSRP: ~\$53,000

Range: ~235-264 miles

Power: 225-429 hp

Pros:

- Extremely stylish, high-quality cabin
- Smooth, dynamic driving
- Loaded with features for the price

Cons:

- Smaller cargo space
- Limited availability in some markets
- Slightly lower range than competitors

Comparison of All-Electric Low-End Luxury Vehicles

BMW i4 eDrive35

Starting MSRP: ~\$52,000

Range: ~256 miles

Power: 281 hp

Pros:

- Premium BMW driving feel
- Sleek infotainment and cabin finish
- Quiet and refined performance

Cons:

- i4 lacks SUV practicality
- Rear seat/cargo space not best in class
- Pricing can climb quickly with packages

Hyundai Ioniq 5

Starting MSRP: ~\$52,000

Range: ~303 miles

Power: 225-320 hp

Pros:

- Striking retro-futuristic design
- Spacious interior with lots of legroom
- Ultra-fast charging (800V system)

Cons:

- Some interior plastics feel budget
- Sloping rear roof affects headroom
- No rear wiper

Comparison of All-Electric Low-End Luxury Vehicles

Summary Comparison Table

Model	Starting Price	Range (mi)	Power (hp)	Notable Strengths
EQB 250+	\$53,000	245-250	188	Practical, refined, 3-row option
